“ *Renae, Karen and Patti - My heart was saddened by the news of your Mom's, Glenna, passing. I not only worked with Glenna at Columbia Federal, I came to know her thru Renae and Karen.*

One event that I remember so well was a skit that a bunch of us at Columbia Fed put on for a company Christmas Party. We did a rendition of "Grandma Got Run Over by a Reindeer". Glenna, of course, played Grandma and she knocked it out of the park.

She was a spitfire and a glorious soul. Her company was always welcomed with her great smile and enthusiasm. She lived true to her last name by using "Post-it-notes" on everything!

Those of you who know Glenna will remember her for her kindness, laugh, and warmth. The heavens are shining a little brighter now with her presence. Rest well, dear Glenna, for I am blessed to have known you in my lifetime.

“ *Renae, Karen and Patti,*

I was so sorry to read about G.P. I loved her so much...just like a second mom. Memories back to your house across the street from the high school. Renae, you have been my sister since junior high. Jeanine was my big sister when I came into WHS as a sophomore.

Oh my gosh...the dancing at the Legion. There aren't any years I can say didn't include G.P. and Renae...with the exception of the last 5 since relocating to North Carolina. The schools' yearly dance recitals. Hundreds of memories at the Legion. Mom will be dearly missed, but lovingly remembered. I send my prayers and love to all of you.
