Grover "Kirk" Hall

May 12, 1937 - April 3, 2023

Born May 12, 1937, in Sage, Arkansas to Ewell D. and Audrey "Tina" Hall, the firstborn son of what would be 11 children. He passed away on April 3, 2023, at the age of 85. He attended school at Orondo and was one of the original Bridgewalkers attending Wenatchee High School. In 1955, he joined the US Navy and was stationed at Long Beach, California. He played baseball for the Terminal Island Islanders as a pitcher which included 7 straight wins and 4 shutouts. He would say these were the best years of his life playing ball and that he should have stayed in the Navy. He was honorably discharged on May 9, 1958.

He returned to Washington and worked for Boeing in Seattle, WA. Married his childhood sweetheart Kathleen Day on March 6, 1959. They had 3 children Vicki, Rusty, and Susan (who died shortly after birth). Kirk worked for Stretch Garrett in Rock Island, WA, and Larson AFB/Missile Storage Facility, Warden, WA, before getting hired at Alcoa Aluminum. He and Kathleen bought her parent's house, planted an orchard, and raised their children. Kirk retired in 1993 from Alcoa. He continued to run his hobby orchard, traveled with Kathleen, played men's softball, cheered on his beloved Dodgers, and

enjoyed their grandchildren.

He was preceded in death, by his parents, wife, Kathleen, son, Rusty, daughter, Susan, brothers Bill, and Jerry Dale Hall, and 3 sisters, Melba Stuart, Charlotte Robertson, and Gail Hall.

He is survived by Daughter Vicki (Chris) Morrison, Grandchildren Shane (Madi) Morrison, Kristin (Trent) Domser, Cameron Hall, Jase (Jessica) Hall, Peyton (Jeff) Walker. Great Grandchildren Audrey and Quinton Morrison, Jack Domser, and Nola Hall.

He is also survived by 2 brothers, Vaughn (Ruth) Hall and Paul Hall. 3 Sisters Donna Ellis, Scottie (Dick) King, and Carolyn (Lonnie) Marlin, all of East Wenatchee.

At his request, there will be no service. A special thank you to Confluence Hospital and Hospice. GO DODGERS!

“ Kirk drove the Cruce truck at Alcoa. I enjoyed talking sports with him. Kirk did not mince words. If he didn't agree, he told you straight up- face to face. I appreciated the honesty with which he spoke his opinion. Kirk had no trouble calling "Bullshit" on those who would talk as if they were wise and all-knowing. Thank you Kirk. Rest in peace my friend. You earned it!
