

Harold G. Weston

November 28, 1943 - July 31, 2025

There is a saying, “Some people come into your life for a reason, a season or a lifetime.” And sometimes, someone comes into our lives for a reason, we get to know them for a season, then we become united for a lifetime.

Sometimes, his story isn’t complete without hers, and hers is just as empty without his.

Harold was born on November 28, 1943, in Wenatchee, Washington, to Howard Weston and Elsie Lyda. He grew up in Wenatchee, where he lived a single life, until he met someone who came into his life for a reason – Brenda. They saw each other at the Denny’s on Valentine’s Day in 1987, and like Cinderella, she lost her shoe. But unlike Cinderella, she knew her prince, and he knew her. The reason they came into each other’s lives was simple: it was love.

They spent the season getting to know each other, but they soon realized they were perfect for each other. On Halloween, the same year, they were married and both the reason and the season, moved into a lifetime.

For the next 38 years, they shared a simple life as they worked beside each other as CNAs and spent their time off work just watching TV and taking care of their corner of the world. They would joke with each other, play pranks on each other, and he would surprise her with gifts, especially on their two favorite holidays – Valentine’s Day and Halloween. They didn’t have a child, but they had a little baby – a fur baby – who they call Angel Rose.

On July 31, 2025, Harold passed peacefully at home with the love of his life at

his side. Although feeling the loss, Brenda knows they will see each other again. Harold was a wonderful man and a great husband and, as Brenda would say, "Bless his little heart." In reality, both their hearts were blessed because they found each other.

A Memorial Service will be held on Tuesday, August 12, 2025, at 11:30 am at the Pentecostal Church of God, 155 N. Iowa St, East Wenatchee, WA 98802. All are welcome.
