

Harper Marie Carnahan

December 2, 2017 - October 8, 2022

Harper Marie Carnahan was born on December 2, 2017. Harper's life was short, but her impact was big. She was born with a severe heart defect that ultimately took her life at just 4 years old on October 8th, 2022. She never let her health hold her back, she never complained, always smiled, always laughed. Harper loved to make cookies with her mom, go swimming with her dad, and go down Grandma's slide. Harper attended Wee Wildcats Preschool, and never missed any opportunity to talk about her classmates and teachers.

The hole that Harper has left in our lives is large. There is a void that can never be replaced. We miss her dearly and can't wait to see her again. We take comfort in knowing that she is free, free of all the doctor's appointments and medical equipment.

We love you Harper. You have taught us so much about life, death, love, and resilience.

You are so strong. You are so brave. We are so proud of you.

Harper is survived by her mom and dad, Kelsey and Brandon Carnahan. Her grandparents, Cindy and Greg Pennington, Hen Carnahan, Denise Cooper, and Farhad Vira. Her great-grandmothers, Judy Cooper and Roberta Carnahan. Aunt Kylee Vira, Uncle Adam Burnett, cousins Adalee Burnett, and

Owen Burnett. Uncles Kody and Dan Carnahan and Aunt Irish Carnahan. She is preceded in death by her great-grandparents, Anne and Everett Fenton, J.B. Carnahan, and William Cooper.

A celebration of life and reception will be held at the Cashmere Riverside Center on November 13th from 1-4pm. Celebrant Kate Wallace Johnson, officiating. All those who were impacted by Harper's life are welcome to join. Arrangements are in the care of Heritage Memorial Chapel East Wenatchee and Cashmere.
