“ My thoughts and prayers go out to Eric, the children and the rest of the family. It had been years since I have seen Hawley, but I was a classmate of hers' and she always had a kindness and grace that I have always noticed and appreciated.

“ Sending love and prayers to all. Both Aimee and Hawley have made such a difference in the lives of many A-Phi sisters. We cherish the time we were able to see them together at Eastern. Hawley lit up the room, she will be missed greatly! AOE, Stacey Gurley Womack

“ *Hawley brightened the lives and hearts of the women of Alpha Phi, Eta Psi. She will forever be in my fondest memories from college. Her smile lit up a room. Her laughter contagious. She was my favorite person to try to trick, with her innocent naivety. When she realized I was joking she would always slap me or flip her wrist while calling me out by my full name.*

I am forever a changed person having experienced beauty and spirit of Hawley. She will remain in my heart forever.
