“*Jacqui, I will always remember the fond memories of us growing up together experiencing the 60's with all that went on especially the Beatles. Even though as we got older and you moved away from Connecticut, we found time to keep in touch throughout the years. I am glad that Barb and I had a chance to visit you in Leavenworth back in 2005. I will miss our long conversations on the phone talking about all kinds of subjects. You will always be my big sister, we will always cherish our time with you together.*

See you someday in heaven.

Love always,

Eddie &Barbie
