“ My little brother has left us physically for now-I have always regretted he never got to experience all the things we "all" take for granted! You are at peace now,talking with Dad and Barb. You will always be in our hearts and minds forever-someday our whole family will be together again. RIP my sweet brother we will all miss you until the end of our time. I agree that God has a special angel up there with him now. Love you Al, your big brother Gary

“ The most amazing person in our whole family. Every memory I have of my Uncle Alan is a good one. I don't know of any other person I can say that of. He will be missed terribly but absolutely never forgotten. I couldn't be more proud to carry on his name through mine. RIP

“ I thank God for allowing Alan to be a part of my life. He was always sweet and smiling every time I saw him. Alan taught me a great deal about compassion. He did some very funny things that kept the family on their toes! To say he will be missed is an understatement! The Holidays will be very different without him, he loved any gift he got no matter what it was he took such pleasure in everything it was a priviledge to see his reaction to some of the silly things we gave him be it a funny t-shirt, a box of crayons, a crazy fish that sang, or a goofy hat. We love you Alan and will be so happy to see you again someday. RIP you sure deserve it. Nancy
