“ Our deepest condolences to Frankie and family. Ed will miss Jim's friendship, sharing hunting stories, and using his walk-in cooler when Ed and Cam were successful in their hunts. Jim also helped Ed's son Cam get started in raising pheasants when he was in Jr High - High school. Before Ed retired he would see Jim almost every day as he left work and returned from work, and the two of them would BS about everything! Jim's stories and sense of humor were contagious and we will miss him dearly. He was one of the good ol' boys.
