“ *I was always lucky enough to get to work with JP and experience the kindness and fundamental decency he displayed. JP always acted with consideration of his actions on others, and his sense of humour helped guide us through many stressful situations. He provided a great example of how to conduct oneself in business and life; I carry with me the lessons learned watching him.*

JP brought happiness to so many of us, and I'll be thinking of this during this difficult time.

“ *I was blessed to have known JP as a coworker, mentor and friend. He was smart, kind, funny, compassionate, supportive, always great to talk with, and just a dear man. He will be missed. I pray for comfort for his family during this difficult time and for peace for JP and his sweet Laurel.*

“ JP was a friend and coworker for many years at SNC Lavalin Thermal Power. He and I spent many hours together traveling to meetings and trade shows and got to know each other well. One trip in particular had us visit a major supplier in Japan and I remember JP being so in awe of their culture and respectful in our meetings. He was easy to talk to, quick with a laugh and a caring and professional coworker. I'm pleased that JP was my friend for all those years and he will be missed. He and his beloved Laurel have been reunited.
