“ *There are no words for such great loss. You were such a precious Flower among weeds, who gave so much of yourself to others without ever asking anything in return. I'll never forget your kindness, your laughter and your unconditional love. I know Jesus welcomed you home, but I hope the angels know what a precious gift they have amongst them now, because nothing feels quite the same here without you. My heartfelt love and prayers to Will and the kids, and of course the dozens and dozens of lives you touched over the years, who all mourn your loss with them today. Love you, Denelle*
