“ You will forever be remembered...though time passes and seasons of life change...the heart never forgets that which it loved. And Janet, I loved you...then, now, and always. As two young mothers so many years ago, your friendship and support meant everything to me...the countless hours upon hours spent together...whether it be watching Regis and Kathy Lee or watching Travy push Kaden down that little blue and orange slide...over and over and over again! lol ...and the hours spent at the soccer field with the kids, at each others homes, shopping, cooking... and helping you move!! I've never known anyone else who moved as much as you! :) Thank you for the memories Janet. Thank you for loving Travis & Emily. You were always sooo good to them and they adored you...Auntie Janet. Kaden & Kyler, you boys mean more to me/us than you probably know. So often you are thought of and talked about as we reminiscence about 'old times.' Each of you hold a special place in my heart...that neither time or distance or life itself...will ever change. I will always love you... With deepest sorrow and heart felt prayer to you and all the family, (Aunt) Michelle

“ I am so saddened by her loss, such a young beautiful person full of life. She meant so much to her children, mom, and all of us. Sending you warmest christian love for a heart that is broken from the sting of death. One day death will be gone forever man's enemy. We have the assurance in Revelation 21:3-4.

“ My sisters beautiful smile drew people in and her one of a kind joyous laugh me so happy. I would say funny things to her and be silly just to get her to keep on laughing. She was a force to be reckon with in her abilities to out perform in work environment. I love her dearly and will have her on my mind and in my heart for life. I love you big sister and you left us too soon.

“ Here's how it went. EEW! that's GROSS!!! says Janet. As I take a bite of her banana cream pie using my slice of ham as a fork. "WHY ON EARTH WOULD YOU DO THAT?" says Janet "Because it's weird" I say..... That was the beginning of Janet's And I friendship. I remember sitting down in the kitchen of the home we shared one evening in early December 2012. Janet was watching me put together what i like to call kitchen s'mores. After the banana cream pie episode Janet surely wasn't going to try my s'mores. But sure enough i got her to try one. "who would have thought!" she says. " one of the best things EVER!" That is one of my favorite memories of you Janet! I pray for your family. and send my condolences. you will be forever missed, and never forgotten.

Love and prayers,

“ Janet had amazing talent and determination in life and left a little piece of herself with anyone she came in contact with. Alan, you were her everything these past few years. You gave her hope and encouragement. You held her hand in her darkest hours and pulled her back to the light more times than anyone could know. Janet was blessed to have you in her life. Although in the end she could not grasp your outstretched hand, she knew you not only loved her and were there for her but that you would have even given your life in her place.

“ I was fortunate to have shared love and life with Janet. She brought me laughter, happiness and fulfillment that I will forever be grateful for. I loved her and was blessed with knowing that I was also in her heart. She was one of the most amazing people I have ever known and will be missed by many. Heaven now has another angel and I am comforted in knowing that her pain is over.
Janet, I will love and miss until we are reunited some day.
The toils of day are over;
I lift my heart to Thee
And ask that free from peril
The hours of night may be.
O Jesus, make their darkness light
And guard me through the coming night. Amen.

“ We thought of you with love today,
But that is nothing new.
We thought about you yesterday.
And days before that too.
We think of you in silence.
We often speak your name.
Now all we have is memories.
And your picture in a frame.
Your memory is our keepsake.
With which we'll never part.
God has you in his keeping.
We have you in our heart.

“ I was so grateful for the time spent with you and Janet during our time living in Arizona together. She was always there for me to listen to all my drama with a smile and encouragement that it will always get better. She had a beautiful soul just as her wonderful sister. I love you both..

“ Janet you were always just a good friend to my sister. I remember taking you and my sister to high school way back in 1987 before you two got your driver's licenses. You were always so nice and funny - always full of energy with a very nice smile. The last time I saw you was at a holiday party in 2005, and you spoke about how smart and wonderful your kids are. I was so happy for you. I will miss you and cherish my memories.
