“ So many memories not sure I could choose just one. This day might be one of my favorites. Logan canyon, jumping off the bridge at first dam and so many laughs. I love you sister. Until next time.

“ From all of us at Heritage Memorial Chapel, we send our condolences to you and your family, and everyone who knew Janice. It is our honor to have Janice entrusted to our care.

“ Jay- you were an amazing husband from the beginning to the end. Your absolute care and love showed every single day that you labored to keep Janice clean, comfortable, happy, and loved. Flowers every week and Disney movies do she didn't have to see anything ugly-- you're out hero, and we are so proud of all you did for your wife. We love you so much, and we have so many funny memories to remember. We still have memories to make, and I know you'll keep grinding like you always do. You're a shining example of what a husband's love should look like.
