“ Jeff is my cousin. Although as we aged over the years and didn't see each other often, there are two things that has and will always come to mind when I think of him. One, his love he always had for his family. And two, even as alittle boy if you thought of him you had a vision of him with his animals, usually a dog, which he also loved very much. He was a very kind and gentle soul. My love and prayers go to his kids, grandkids, brothers, and parents. The most important thing in his life was HIS LOVE FOR ALL OF YOU. Janet

“ My dad was an amazing wonderful man, with a huge heart. He would help anyone in need, no matter what his personal situation was. He was not a perfect man, but he was loved by so many people. Being his baby girl, Im heart broken and struggling to wrap my head around the idea of life without him. I call upon the Lord daily for the stregnth to get through each day. I know my father is walking with God, I know that my father is at peace now. I love you daddy. I miss you. I always will. You will forever be with me in my heart. Until we meet again in Heaven, rest easy daddy. Love Megan
