“ To my big brother...I can hardly stand that you are gone. I'm having a really hard time with this. I know you don't want any "snivling" but I can't stop. You were my idol and hero growing up and that never changed. I know you never wanted anything from us, but we wanted you. I will miss you so much. Someday, when I am riding that big harley in the sky, I'll take you for a ride and we'll never look back. Rest in peace and may the good lord keep you safe.
Love always and forever
You're little sis...
