“ So sorry for the loss to his family and friends. First time our family (Kain) met Johnny was when he was hunting on the hills behind our place (now Shadow ridge) with Theresa.

“ Sharon Huffman and family
Sorry to hear of Johnnys passing. It seems like there is no story of a hunting or fishing adventure from the Entiat Valley that does not include Johnny in it. Everyone could learn a lesson from both you and Johnny, always there to help out or share what was needed. I cannot imagine the hole that this has left in your heart, but the knowledge that Johnny is no longer suffering will bring some peace. May God bless each and every one of you.
