

Jose Patterson

July 24, 2002 - December 21, 2025

Jose was born on July 24, 2002, in Wenatchee, Washington, to his loving mother, Cyphrine. He lived a life marked by humor, individuality, and a deep appreciation for the things that brought him joy. Jose had a strong passion for skateboarding and video games, particularly League of Legends. His natural charm and sense of humor were evident to all who knew him, and he was unapologetically himself, qualities that made him truly unique.

Though Jose wasn't able to have children of his own, he was deeply devoted to his family. He was a beloved son to Cyphrine and Erick Baumgardner and a cherished brother to Lacinda, Javy, Tianna, Israel, Uriah, and Jamie. And an amazing, beloved uncle, too, his nieces and nephews, Maecee, Koa, Brinnley, and Brodie. Jose was loved by many. He shared a close bond with his family and friends, and his presence brought warmth and laughter into their lives.

Tragically, Jose passed away on December 21, 2025, around 4:48 a.m., due to complications post-gallbladder surgery. His untimely passing has left a profound void in the hearts of those who loved him. Jose will be remembered for his kindness, humor, and the lasting impact he made on everyone fortunate enough to know him.
