“ I'm so sorry to read of Joe's passing. When Joe worked for WSD one of his assignments was working in the special education office area. That is where I met Joe and enjoyed getting to know him.He would often "start" his day in the sped offices down at my end of the hall. He was always very upbeat, chatty and full of stories. He was so proud of his family and often talked about them. My condolences to his loved ones. Amy Evitt
