“ I know the cool thing to do is write you something on Facebook so that everyone knows and reads it but I'm not very cool lol so I'm going to say good bye right here. It still hasn't really hit me yet that your gone. It sucks that you had to go, but just as I learned with kid, God had better plans for you and now your free and happy. And I know kid was there to meet you so I know your in good hands. I'm gonna miss you you black mamba. Rest in peace Barney. I was gonna send you flowers but who wants perfectly cut flowers when u can pick the ones you like as you go. 🌸🌹🌺🌻🌷🌼🌾🌻🌼🙏🙏🙏
