“Karin's family: I'm so sorry for your loss. I went through a similar situation and I was very helped by the hope that I found in the Bible in John 5:28, which says, "Do not amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out". I am sending you a link with more information on this hope.

“To the Karin Smith Family,

I am truly sorry for your loss!! She was a wonderful person.

Karin was by best friend in high school. We also worked together at Stemilt Grower's during the summer during cherry harvest. We sure had a lot of fun together. She will never be forgotten!!
