Kathleen "Kathy" D. Hall. age 80, passed away Wednesday, January 6, 2021, at Confluence Hospital after a short battle with cancer.

She married Kirk Hall in Seattle, WA on March 6, 1959. They had three children, Vicki, Rusty, and Susan. Susan passed away just after birth. In 2005, she closed her beauty shop at home and leased the Garden Terrace Beauty Salon, which was beneficial since her mother was a resident there.

She liked that she could be close to her mother. She stayed until retirement in 2020, giving her 40 years in the beauty business.

She made many friends throughout the years, including her elementary girlfriends, Judy, Ida, Barbie, Sandy and Susie, whom she was always happy to hear from. Two close friends, Rosie and Brenda, and her special sister-in-law, Donna, thank you so much for all you did for mom, she loved you all. She also, had a special relationship with her nephew, Mike, who kept her updated on the family tree and sent cards and flowers on all occasions. She so enjoyed their in-depth conversations about the family history.

“ I was at the clinic when Kathy had her first chemo treatment. Cameron brought her to the clinic and we had such a nice visit prior to her treatment. She was very upbeat and positive so it was such a shock to read of her passing. I was having my monthly cancer treatment and we sat close to one another. She had a great visit with her nurse and shared pictures her family had put together for her. She shared with her nurse that she had smoked and felt very sorry that she had contributed to her lung cancer. Her nurse assured her it was not her fault. Kathy was a wonderful woman and cared deeply for her family. She will be missed. May she rest in peace. Cameron, you were such a great grandson and it was so apparent how much she loved and appreciated you. Love to you all, Sandy Weaver

“ To Kathy's family;
Words cannot express my sorrow; Kathy was a dear and precious friend, we would always have a gossip session when she did my hair. (When she gave me a perm, the sessions were longer!) My son Kevin and her son Rusty were best friends since they were in Rock Island grade school. We lost both our sons and we remembered them for several years by memorials' posted in the paper. We also lit the cross on the hill several years. Love to all Reba.
