

Kenneth R. Truitt

January 21, 1947 - September 16, 2024

Kenneth R. Truitt, passed away peacefully on September 16, 2024 at Central Washington Hospital. Born and raised in Wenatchee, WA, he lived his entire life in the place he called home, surrounded by friends, family, and a whole lot of good memories.

Ken spent his working years at Central Washington Hospital in the radiology department where he was known for his sharp wit and humor. He spent his free time doing the things he loved— fixing and driving classic cars, training horses, hunting, and fishing. If he wasn't fixing up a car or out on horseback, you could probably find him at the car lot visiting his lifelong friends, Max, Gary, Eddie and Tom. It was his daily routine, and he never missed a chance to catch up or lend a hand to anyone who needed it.

He was a man who took care of his friends and was always there to help, no matter the task. But what he cared about most was his family—his two kids, Danielle and Nathan, and his six grandkids. He always wanted the best for his grandkids, sharing his wisdom, humor, and a fried grilled cheese sandwich every chance he got.

Though Ken may have been a bit stubborn, he was loyal, generous, and had a way of making everyone feel like they mattered. He'll be deeply missed by everyone who knew him, but his stories and memories will live on.

A celebration of his life will be held on Saturday, October 5, 2024 at 2pm at the American Legion Post 10 in Wenatchee, WA. Please join us as family and friends will gather to remember the man who loved his family, his friends, and his cars.

The family kindly asks for no donations or flowers.
