“ *To the Schoenwald family-  
So sorry to have just learned of Kevin's passing. Kevin was a soft spoken person, and had a kind heart. He was our friend for many years and we used him on all of our computer needs and fixes. He was a genius on & with computers! His expertise & knowledge on them will be greatly missed. He worked very hard to support his family & spoke of them often. We wish to express our thoughts and prayers to all the family members during this difficult time.  
God Speed-
