“ *We only got to meet once but it was an afternoon we will always remember. You were long, lean and full of love for your granddaughter. Cady knew it and ran to you with open arms. You were fun, funny and full of plans of things to do and places to go with Cady. We wish every day we could have had these dreams come true. We love you and will miss you always.*

“ Although we knew this day would come I sure hated to see it arrive. You my dear friend enriched my life everyday. I can say I have never known a Woman that could compare to you strength and zest for life. Your love, humor and compassion impacted the lives of many. So very hard to put into words how you feel when saying goodbye to such a lovely friend. I miss you and will never ever forget our late night conversations and the endless laughter we shared. I will treasure them until we meet again. I know you are watching from above pain free and smiling upon us. My condolences to Tyler, Beau and Shadd as they continue their lives without you. We all lost a true Angel here on Earth when God called you home. You will never be forgotten. Rest in eternal Peace my friend.. Love you forever.

For that I will always be grateful! My thoughts and prayers go out to your 3 Son's, family and friends during this difficult time. We will all miss you deeply!! You battled this with such strength!
