“ *Bus Provo was vibrant, hard working, humorous, giving, and loving throughout his life. Bus was truly an inspiration to all who knew & loved Him, and answered the call willing to help others when needed. Bus is at peace now in a better well deserved place. May God Bless You, Buddy.*

“ *It was nice to see Bus's smile when he came to C & O Nursery selling his meat products. He was always pleasant and friendly.*

“ *This is such a nice way to remember "Bus", who I called Dad, I feel so fortunate to have him in my life, we did so much together, I will always remember our Apple Blossom Lunches together. The camping and fishing, especially at Fish Lake will always be my favorite, it is my favorite place to go and the same with my children, many great memories, laughs, great talks. Mom, I know he is watching over all of us, but mostly you, miss and love you Dad!!!!*

“ Carolyne, I am thinking of you during your time of loss of the love of your life. I am so lucky to have memories of Bus growing up. He was always so kind and loving to me when LaVerne and my mom married. He was always there to make me laugh. I am so thanking for all the hunting stories Pop would tell when they all came back. He loved spending time together with family. You have always been the light of his life. What a beautiful life you had together. I wish you peace in your heart and faith that Bus is watching over you every day. May God bless you both. Love to you all. 🙏 Lisa Barrett
