“ Just wanted to let you know you are in our prayers. We love you very much and would loved to been there during this time. I will never forget the time I spend with you all in the past few years. I am so thankful that we got to visit and see the part of your life that is so different from us. My first memories of Uncle Earnie and Aunt Leneal was fresh fruit, but I never really understood it all until we were there the first time and seen all the orchards. We always felt so welcome when we were there. Aunt Leneal always reminds of Mom with her thoughtfulness, caring ways and loving to feed everyone.

“ I will always remember Leneal as the kind loving person she was. Her smile and gentle nature is what comes to my mind as I think back over the years. The times visiting in her homes in Cashmere and East Wenatchee, Leneal was always welcoming with an open door.
Even though this time is difficult, after the pain has gone remember the good times.
Leneal was a very special lady.

“ Dear Cathi and Family, What A precious women your mother was. I believe I was about 6 or 7 when she was my Sunday school teacher at the E. Wenatchee Free Will Baptist church. I'm so glad for the influence she had in my life spiritually, and she always had a smile and a hug whenever I saw her. I pray God will provide you the strength and support you need during this difficult time. Our prayers and thoughts are with you especially today. Our love, Gary and Charlene
