“ I had the pleasure of knowing Leona through our sons. We grew to be wonderful friends. Leona always had a smile, a spark and bounce to her step. We had many adventures going off to soccer games watching our boys grow and play the game. Leona was such a great single mom to Lucas and knew how to keep him grounded yet let him grow into himself from a boy to a young man that he is today.
Leona we will miss you and we will treasure your friendship forever.
Rest In Peace.

“ Leona was just sweet and lovely, she cared about everyone, especially the lost souls who first came to the organization. When I first joined the organization, she would check on me and offered help to make sure I was progressing.
I remember at the end of Dec 2018, I stayed at work for a very long time and didn't know what to do with the situation and my customer, I was under pressure. Leona walked up to me, told me she would take care of the rest, gave me a big hug and asked me to go home and rest. Her smile, her warmth touched everyone.
Leona, we miss you a lot.

“ I had the pleasure of knowing Leona at Boeing, and working with her directly. She was kind, respectful with fun insights on life. Every time she would stop by, it was always with a welcoming greeting and a big smile. Even though our work was stressful, she was always there for her customers and the team; we could count on her. I will truly miss her presence and she will always be in my thoughts and I know she is at a very special place now. Wishing all her family and friends love and peace as they continue to live their lives and keep her in their presence.

“ Edita and I were truly shocked and sad at the loss of our friend. While I was in Seattle taking delivery of some aircraft Leona became a great friend and looked after me and showed me the sights. She didnt have to, but nothing was too much hassle for her. After this she came all the way to Thailand to attend my wedding and to the after party week in Phuket. What a crazy week. Such a loss for everyone. Attached are two photo's from Thailand. RIP Leona.X

“ My colleagues in Ryanair and I were shocked and very saddened by the news of the untimely passing of Leona. Leona was our CQS rep in the delivery centre for many years and became great friends with us in the pilot community and our engineering colleagues. Her smile was infectious and she had a tremendous work ethic. She was a fantastic advocate for the customer and a great ambassador for the company and her country. She will be sadly missed by all of us and I send sincere condolences to her grieving son, family and friends, Brian

WOW! You leaving us all behind is heartbreaking and devastating to all that worked with you and knew you as a friend. Somehow the world is a far less sunny place. We know, however, that you are lighting up all those around you with that beautiful, contagious and irrepressible smile of yours. You were so competent and capable at your job- never letting things get to you as it did to most of the rest of us. Your customers came to love you as their "go-to" for information and advocacy. You were never afraid to speak up on their behalf, even if doing so ruffled the feathers of the powers- that-be.

You are a honest, compassionate, loving and caring person. We who worked with you wish to extend our sympathy to your family, especially Lucas, at this terrible time. Just knowing that you are gone leaves a horrible void in all of our lives. May you truly rest in peace, knowing that all of the love and friendship you so graciously shared with us will be appreciated and remembered forever.

“ I know that no amount of words I say will comfort Leona's family. Leona was my co-worker, mentor, and good friend. I will always remember meeting Leona was one of the happiness day of my life. I remember when Leona was going to take a new job at CQS, my 2nd level manager at the time Julie Sanders called her affectionly Miss Southwest Airlines. My Lead QAI at time at my interview told me Leona wanted me to work for them. I never got the chance to properly thank her for that, I will be eternally grateful to her also for her kindness and helping me in my new job. I believe we all get to see our love ones in Heaven some day. I believe I will see Leona in Heaven some day and to finally thank her. God bless Leona's family and friends forever, I will miss Leona forever, love Brian Eng.

“ Rest in peace my sweet friend.
The day I met you March 17, 1989 at Boeing, you brought me a bouquet of flowers and said "Hi I am Leona and heard you have a birthday today and so do I." This friendship was one that I will always cherish. So blessed to have spent time with you and Lucy. My condolences to Lucas, Mom, Lucy and many friends who love you.

“ *My sincere condolence to the family of Ms. Leona Lyon, genuinely having a hard time trying to accept the reality that her time here on earth has expired.*

Leona had a wonderful sense of humor that echoed throughout our department! More importantly, for me, when arriving as one of the newest members of our organization, Leona quickly took me under her wings to get me aligned as soon as possible with our department business objective.

In addition to work, she spoke highly of her son and dog; mere word can not express the loss I felt when I heard of this unfortunate news within our department.
