“ My family was good friends with Lila and her husband Cliff Johnson and their children. We lived in East Wenatchee for approximately four years in the mid 1960's. Our family and Lila's met thru the children as myself, Russ Wagner and my siblings rode the bus to school with Gibb and Greg when we lived at Fancher Field airstrip on the way down from Badger Mountain. My mom and dad, Bob and Billie Wagner thought the world of Lila and Cliff and I myself remember Lila as being a very vibrant and fun loving lady. I have thought of the Johnson family many times down thru the years. Rest in Peace Lila.
