“ Although our body dies ~ our soul never dies so I know you hear what we say. "Each life is a miracle that changes the world...and leaves the world a better place that it was before". Lisa, you will dwell in the house of our Lord forever! Three memories ~ at which I still smile and talk about. It's years later ~ I'm remembering you! 1) Our family came to Missoula to visit you in 1970. You were 5 years old and I was 32. On a road trip in your van ~ the 15 of us were riding through "Highway to the Sun". It took my breath away (fear of heights) so your Mom had me sit on the floor. Then, in helping me, you said "DON'T LOOK NOW TUPPY IT'S REAL STEEP". That was too funny ~ you brave, caring little girl! 2) Also in Missoula you had a large swimming pool outside. I could hardly believe it while I watched you swim under water the width of your pool. You were so tiny and able! 3) Can you imagine when your Mother and I took our kids out to eat or shop ~ there were 2 Mothers and 9 kids! It was really fun! So Lisa, I know you see this, so I will tell you ~ I always loved you very much and I always will! Miss you ~ certainly! See you again ~ certainly! forever and Always, Your Aunt Tuppy (Carolyn Reed)
