“ *Marveline and family,
Thank you for giving us the opportunity to be a part of your family and care for Lloyd. I have to tell you that I saw Lloyd my first day at Blossom Creek, I knew I recognized him. When I asked another staff member his name and they told me I was a little bit emotional. Over the years he had been a substitute teacher of mine. I was always so intrigued by his intelligence. One day when I was in the 7th grade I remember him saying call me Dr. Bailey and laughing. So, that is exactly what I did when we were re-united at Blossom Creek. I called him Dr. Bailey and always got a huge smile when he heard me. I know that Lloyd is where he wants to be and is not in any pain. I sure will miss his big smile and Marveline coming to visit. If you ever need anything please feel free to call. God Bless.*
