“ We are all so thankful for the thoughts, prayers, flowers and cards from mom's family and friends. What a beautiful and blessed memorial service we had sharing your 80 wonderful years together here on earth. Mom was looking down from Heaven and was very thankful for each and every one of you. The service showed us how many lives mom touched. She was a very SPECIAL person. We love and will miss you "Mom" and we will be together again one day! We love you all! May God bless each one of you and your families always. Jody, Jeff, Krisi and all of the family.
