“ We are greatly saddened at the death of our lovely niece, Louise, at such a tragically young age. She was so full of life and fun and her personality lit up the room. Our communication by email was inevitably accompanied by one of her many jokes.

On the other hand she was sensitive and caring; when we last met only weeks before the death of her Mum, our sister Pat, we were so impressed by the love, care and attentiveness she and Krys gave to their Mum.

Louise was also very attached to her little nieces.

We will treasure our memories of the Arden family and send our love and condolences to Krys, Matt and their girls.

“ May God's peace and comfort bless Louise's family. Memories of the little girl with golden curls are etched in our minds as we fondly recall all the fun we had together as children. Louise gifted us with her sense of humor and spunky personality. We will miss you cousin.
