August 29, 1932 - August 19, 2024

Margaret Jean Young of Wenatchee, WA, a loving & caring wife, mother, sister, grandmother, passed away on August 19, 2024.

Jean was born in 1932 in Melfort, Saskatchewan, Canada. After Jean graduated from high school, she married Jack Young and moved from Canada to Georgia where he was stationed during the Korean War. After his service in the Army ended, they moved back to Washington State where they lived for a number of years in Mount Vernon, Washington then to Spokane where their children graduated high school. They then moved to the Bellevue/Redmond area for several more years.

Jean worked for several medical offices including dental, orthodontic, and optical practices. Throughout her life she enjoyed sewing, reading, knitting and crocheting, running, boating in local lakes and rivers, and skiing.

In retirement, Jean enjoyed traveling with her husband in their camper van up and down the West Coast. They also took several memorable trips to Europe, Mexico, and Hawaii. They moved from Redmond, Washington, to Reno, Nevada, where she enjoyed tending her vegetable garden, shared good wine, cooked delicious meals, and continued to take trips in their RV, and treasured time spent with her family.

Jean was preceded in death by her parents and five siblings. She is survived by her husband of 73 years, Jack, her four children and their spouses, her eight grandchildren and many great-grandchildren. Jean was a loving person, wife, mother, mother-in-law, grandmother, sister, and friend.

In lieu of flowers, the family requests donations be made to the American Cancer Society, a cause Jean felt strongly about.

“ Gma was not like any other Gma, she was very special to me, her laugh was so adorable in every way possible, Gma was always joking with me on her Alexa when chatted, excited he would say stuff hey hey where did you go, stay still, I can't see you and every time she had that laugh along with it. I can't get through a day without thinking about her and all the good times we had together, when I called on the phone, she would start off by saying hi Manders, how are you honey, as soon as I see your name on my cell phone, I get so excited to hear from you, We spent a very long time on the phone chatting about everything, she was very invested in hearing about my riding and my horses, she loved getting pictures of me and the by text and by Alexa video call, My dad always reminds me she spoke highly of me. I still to this day can't stop thinking about her and there are times where I can't help but cry, I miss her more anyone could ever imagine, I feel her presence all around me, but the pain is still there, I remember one day on a video call just a few days before her birthday where she said I just want a hug. this is still very hard for me to take in. words cannot explain how much I miss her; I just want a hug from her to. she was not only my Gma but my best friend. I love her so much.

“ Jean Young the grandmother of my two children Nicholas and Amanda. To my children Jean was known as G Ma and G Pa the grandmother who was fun to be around and most of all the grandma who loved to bake and cook. My children spent so many wonderful years with Jean and the memories will always be cherished. For myself I would like to say thank you! for always being there for my children. My daughter spoke to Jean every day, they would laugh and talk about horses, what the day was like, or what was for dinner. G Ma had so many stories to tell. I am happy my children had the chance to experience what life is like with people we love and cherish forever. Thank You,

Jackie Young, Amanda and Nick
