“ *So many of my childhood memories include Auntie Marilyn, We would often head to Wenatchee (from Seattle) to visit - in the summers we'd enjoy things like Apple Blossom, swimming in Marilyn and Dick's swimming pool and i remember being here for an Easter which, if i remember correctly, fell on my birthday and a very fun coconut covered bunny cake was made in my honor. Seems to me many of the summer visitors would go fishing and my two brothers would often be dared to eat the fish eyes in order to get a package of baseball cards. I think I saw my first shooting star from their deck off the side of the house on Red Apple Road. I'm sad we haven't been in touch over these past years but my memories keep me smiling. Her family is the reason we moved to this side of the mountains in the 80's. RIP Auntie Marilyn :)*

“ *To the Morrow Family,
My thoughts and prayers go out to you and the many friends of
Marilyn. We can all look forward to a world without the pain and
suffering of losing a precious life as promised in the Bible at
Revelation 21:4 and 1 Thessalonians 4:14. May God comfort your
hearts, 2 Thessalonians 2:16, 17. My deepest sympathy.*
