“ Dear Thies family,

I'm so sorry to learn of your Mom's passing. I was checking Heritage obituaries for my Mom's cousin, when I saw your Mom's name. I can't imagine anything more difficult than losing your Mom. My heart hurts for you two and your families.

When I think of my youth, I think of your family and 4-H. Your mom, Marion was such a big part of our lives and keeping everything on track! She made fair days, horse shows and all our miscellaneous meeting and more, fun! She used to come into AAA during the years I managed it and I was so delighted to see her. She would update me on everything going on with you, Kathy, Doug and of course her grandkids! She was so proud of each of you and those grandkids.

I told Michael of her passing, and he said, "she was always such a delightful and joyous person."

She really did have such a way of touching the hearts and lives of so many. A true blessing to those who knew her, regardless of how long ago.

Please know we are praying for the peace and rest only God can give for each of you and lifting you and your families up to Him.

Blessings,

Michael and Tamera Danforth
