“ CA I was so sorry to hear of Martin's passing. Though I didn't know him, I remember the trips we took to spiritual workshops. I hope you are feeling comforted and strengthened by that loving spirit. Lynn Brown

“ He was always so friendly..
I only knew him from when he put pesticide strips in our cherry tree here in Wenatchee.. but I could tell he was a kind soul..
We talked every few weeks about our gardens and I came up with the idea too use baby wipes too get the glue off his hands..
God Bless your family and you have my up most sympathy
