Mary Evelyn Davis

September 30, 1933 - April 3, 2021

Wenatchee, Washington

Mary Evelyn Davis, age 87, of Wenatchee Washington, passed away in her sleep April 3, 2021. Being a loving wife, a mother to some, and grandma to many, she'll be remembered fondly. After all, her kindness, patience, and humor, is what helped mold her family into the fine people they are today.

Born September 30, 1933, in Mishawaka Indiana, Mary resided there until the day she heard a young Kyle Davis sing at her church. Which led to marriage, and ultimately her and the handsome singing fellow moved to Wenatchee Washington, to start a family.

Grandma Mary was a lover of square dancing with Kyle, reading books while her grandson played the piano, knitting, and watching the Seattle Mariners. She was a collector of all things chicken, and thimbles... so many thimbles.

Mary and her husband Kyle were blessed with six incredible kids. From oldest to youngest you had Miriam, Eddie (who passed away December 2020), Blair, Russel (who sadly passed away at 5 days old), Lisa, and Laura. These kids being raised by such loving parents, would grow, and also be blessed with

kids of their own, making grand kids for Mary- and on it would go, making a hefty loving family all in all.

Grandma Mary's house was a central hub in which almost all the neighborhood riffraff would take place, as well as holidays. Her big porch, built by family members, was a shaded getaway from Wenatchee's sweltering summers, as well as a great diving off point -into the mountains of snow, in the frosty winter. But most importantly on that porch, grandma Mary observed the goings on while keeping us fed, hydrated, and protected (as best she could with so many daring grand kids).

Grandma Mary grew in her knowledge of our LORD, being a member of the Wenatchee Church of God Faith of Abraham, and the Cashmere Church of God Faith of Abraham. She will be missed on those Sundays that were spent worshipping with her.

As time went on, Grandma Mary and Kyle needed assistance in their daily lives, and fortunately both were cared for by their son Blair, and daughter in law Priscilla Davis. Being there for Grandma and Grandpa will always be appreciated by all of us.

Grandma Mary's impact on this family will not soon be forgotten. Her kindness, her laugh, her rooting for the Seattle Mariners, the patience she had for all of us, and her absolute love she showed her family, lord willing, will keep us going on for generations to come.

A memorial service for Mary Davis will be held May 15, 2021 at the Wenatchee Church of God Faith of Abraham, at 4 PM.

“ I spent many many happy days with aunt Mary when I was young and lived in Wenatchee. My father Charles Davis drove us (my mom also Mary, Rosemary, Me, Rielle and Steven. to Yellowstone national park. Where we were meeting Uncle Kyle's new Bride Aunt Mary. We both Tied balloons to our radio antennas so we could find each other, and it worked. Aunt Mary was like a second mother to me when she went to work I spent the summers babysitting with her first three children Miriam, Eddie, and Blair. What fun we all had rest in peace Mary.
