“ To Joe and the family, I am so sorry for your loss. Please accept my most sincere condolences.

I had the privilege of working with Mary wife many of the years she worked at Blue Chelan. I found Mary to be always polite, sincere, and friendly. She was respectful to everyone and seemed to always carry a smile. She was a pleasant and sweet person.

I enjoyed working with Mary because she was a good listener and always gave her best effort to the task at hand. She was so easy to work with! And, she did a good job. She had a wonderful work ethic!

I know Mary loved her family dearly, and I know you all loved her as well. Her love will never leave you!

Sincerely, and my best wishes,

“ When we first arrived in Chelan we rented a home in So. Chelan and Mary and Joe were are neighbors. Such nice people. We ended up babysitting Rusty and Londa. Mary shared a love of reading and we would discuss books and what to read next. We also spent many hours of fun time with our get togethers. She was a very special person and we will miss her. Rest in peace Mary.
