“ I will never forget what loving person Marryanne was how much fun she was to work with. She made friends with everybody. She sure loved her Daughter grandkids. I have fun memory working with Marryanne. Myself Marryanne another flagger Nikki we were working with Granite one Operators left Granite truck by flagging station. Us three put sirwan wrap from the headlight to taillights, Nikki myself took off hid left Marryanne holding stop slow paddle. We made it look like Marryanne did it. Operator came back couldn't figure out how she could do that to his truck and hold paddle. Gonna miss you Marryanne RIP.
