“ I will miss Michele's sweet spirit, positive outlook and her beautiful smile. She was such an inspiration to me and to so many others. She will be missed.

“ Michele was one of my two first cousins I had growing up. I can remember spending time with her at our Grandparents trailer on Pend Oreille Lake, and we would reminisce about our Grandma Reathel's house in Spokane when we got together in our later years.

When our Boys were kids, we went camping together and Jermaine and I would visit Michele in Spokane. She would come over to see Joel and stay with us.

Ray and I enjoyed our visits with Michele, Bob, and my Uncle George up at Fish Lake and the visits here at our home.

Not only was she my cousin, but she was a great friend and I will truly miss her. She was an Angel that walked among us and I feel so privileged to have had her in my life.
