“ Aunt Nellie, who could forget someone like you. Always full of hugs and smiles. Calling everyone sweetie. I remember when you would always tell me stories about how when I was a baby you didn't have a bassinet so you would fix me up in a drawer when dad brought me over. Bingo was one of your favorite games and I loved sitting right there with you. I didn't know you were going to go so quickly or I'd have spent more time with you. I love you 💕💕

“ *I remember when I was 15 and running away from home, even though you're 6 years older you went with me to protect me. Lol. We had the best time. Rest in peace sister. Always Loved Never Forgotten. R.I.P. Love You*
