“ Hi Brother, there's not a day that goes by that I don't think of you. We love and miss you very much. The last couple years on earth have been very weird and scary. A worldwide pandemic hit us...Coronavirus. But we have not gotten sick with it yet and hope we never get it. Praise the Lord. Please continue to send me signs that you are near me. We got a puppy the summer of 2019 her name is Jewel. We love her❤️ Say hello to Dad and Grandpa for us.

“ I Love you Brother. May you be my guiding light in my life.

This weekend we are taking Grandma to Tollgate to put you and Dad's ashes with Grandpa's. The Three of you with rest peacefully together. Dad made a wood cross when he took Grandpa's up there. Dad, would tell me "We should go up there sometime but never got around to it. It will be the first time. Grandma said she knows where the wood cross is. I hope we will spot it. I hope that if we have a difficult time locating it, please may you and Dad guide us to find it.

Love your sister, Amber
