“ Merry K. and Bill, I have such vivid memories of your Mom as we all grew up in Edwall. She truly was elegant with a wonderful sense of humor to boot! She was so kind to me, inviting me to spend time at your Loon Lake cabin. What fun! I am so sorry for your loss. We have discovered time does soften the pain, and gently the smiles return as we remember the endearing times, crazy adventures, and unique quirks!

“ Parm was one of my favorite people "back in the days at the Legislature". She took me under her wing when I came to work as a Hostess for the House. I remember "house sitting" that cute pink house in Olympia while she and Don would travel. I have some wonderful memories of her. She was a great influence in my life at that time and I appreciate you sharing her. Your in our thoughts now and the days to come.
