“ *Didn't we have fun back in the day? I worked with Peggy for many years. I remember when we were working the night (swing) shift and there was a lot going on between the night shift supervisors and the day shift supervisors. Stuart gave me a budget and sent us on a "bonding" trip to Reno. I got the tickets for those of us who went - Peggy, Andi, Kim, Doris, Me - there were a couple more. But we did have a great time on that trip! Pretty sure there was a parade with Sam Elliot as the Grand Marshall!*
