“ I have read his many books and found peace in his faith. I attended Western Evangelical Seminary and as an Army chaplain quoted him often. God is faithful and so was Randy.

“ As you most likely know, I became Randy’s weekly cribbage partner, as a hospice volunteer. Little did I suspect that he and I would become fast friends. He helped me revive my cribbage skills, which, sadly paled in comparison to his! We shared our Netflix addiction for *The Queen’s Gambit*, and I often had a report on the Stephen Colbert routine— he had a great sense of humor!

*I want you all to know how very fortunate I was to have had so much time with Randy. His absence leaves a hole in my heart— my Wednesdays are empty.*

*Please accept my deepest sympathy— I, too, shall miss that lovely gentleman.*
