

Rick Lee Zimmerman

September 6, 1957 - May 9, 2023

Rick Lee Zimmerman of East Wenatchee passed away Tuesday, May 9th, 2023, at the young age of 65. He was born at Larson Air Force Base, in Moses Lake, Washington on September 6th, 1957, to Robert B. and Joyce I. Zimmerman.

It's hard to put Rick in words as he accomplished so much in all of his years, he was an amazing son, dad, brother, and friend. He did everything in his power to make everyone in his life and around him smile. He had the most contagious laugh. In his last moments, he was making everyone smile.

Rick would want everyone to continue doing so with stories about the past and promises of the future. He touched so many people in his life and even in his passing he will continue living on the memories we share and the love we all show.

Rick will be remembered for his funny sense of humor, laughs, wit, and generosity, and his ability to do anything. He puts his mind to off-roading jeeps and riding his Harley with his friends by his side.

Rick is survived by his mother Joyce, his sisters Debbie and Julie, his son Joshua and his four grandsons Spencer, Stryker, Alarick, and Axcel.

Rick will be cremated and will continue watching over his mom and all the

other family members and friends. We will be having a celebration of life at a later date. We would love to hear crazy, funny, sad stories and look forward to reading them below.

Rick, you will be greatly missed and until we meet again, we all love you

Rick Zimmerman: "To my friends if you can't be good at least be safe love you all".

Arrangements are in the care of Heritage Memorial Chapel of East Wenatchee and Cashmere.
