“ We worked at the Forest Service together, I will remember him fondly. Bob went to school with my Uncle Bill Phillips. We figured that relationship out at some points. Probably through my dad who also worked at the FS. Kind regards to your family. I regret that I may be unable to attend his memorial but will try.

“ Bob was a major part of the Mt. Baker Snoqualmie Forest Service. Very dedicated, hard working and a witty sense of humor! One of the really Good Guys! Forever in our hearts...with fondness regards,

“ I worked in the same USFS office as Bob for many years between 1980 and 2001. He was and upbeat guy, with so many friends.

After Bob moved I met him a few times for coffee when I was in Wenatchee for skiing or traveling through to Montana.

Sometime in the 1980s, I was lucky enough to go crabbing on the Salish sea with Bob and Ron Swint. It was a riot as you might expect.

They were good friends, both gone now.

I first met Bob in 1964 when his dad had a small timber sale on the White River RD and Bob was helping him. He and I used to joke in later years about me meeting “Little Bobby Hulet” back then. And then worked with him in the Forest Service for many years. A real nice guy, a friend with good humor, who we will all miss. A great loss. George Larsen

I was blessed to find a best friend in elementary school, and further blessed to have him in my life from that day forward. Bob was a positive influence in many lives, mine included. He is and always will be my brother of a different mother. I loved him dearly and am eternally grateful for his trust and friendship. Rest in Peace...Hug Sue and Amy for me Huey...Love, Steve
