“ *Bob Lafollette was my art teacher at Hyak Jr. High school in 1979 or 1980. I learned so many techniques and different types of art from him - he was just wonderful to be in class with. He was calm and patient and provided us with great support and materials. I think of him often, which is what led me here. I'm saddened to hear of his passing. He will not be forgotten.*

All my best, Susan Littlefield
