“ I loved my Daddy very much. He taught me many of the values that I stand for today...keep your word, return a firm handshake, work an honest days work for your paycheck, and as many lessons about boys as he could cram in my head! LOL I miss him more than I could've ever imagined and will hold him dear to my heart for the rest of my days.

“ To the Newsome family: While your grief is great now, the joy when you see your loved one again in Jehovah's righteous New World will be greater. Keep the hope before you, John 11:25, as you hold your memories tight. It won't be long now, Romans 13:11 "And do this because you know the season, that it is already the hour for you to awake from sleep, for now our salvation is nearer than at the time when we became believers". May Jehovah continue to comfort family and friends Philippians 4:13 and keep you strong in the faith. My deepest sympathy
