“ *Uncle Ray; I have the best memories of you dating back to when I was a little boy. You were my Godfather and I remember you as a good looking , strong sportsman who was at peace living and enjoying the great outdoors of Washington. I was very young when you moved but I will always remember how you drove across Country when I got married. As life is so precious yet very challenging at times and the days and years go bye so quickly, I will always remember you as a man that lived life to its fullest!*

Theresa and Walter, my cousins, I cannot put my feelings into words, as I just found out that your father, my uncle died. The only thing I can say is I feel your pain and God will help you get thru these tough times. Your father was a wonderful man!

Please accept my warmest condolences.

Sincerely;

Mark Chosney
