“ There are so many great memories I have of you RJ. Some silly, some lazy and they all include Your great smile, it was always the best. was always the best. You were always a great friend. One I trusted, and continued to trust all these years. You never let me down. Thank you Galahad. Thank you for being you. The world was a better place with you in it. I Love you. You will be remembered. 🌹

“ What can you say about RJ RIPPER that he himself didn't already cover? Our culture is losing its luster because it's losing its free thinking badasses. My condolences to the family. I don't have to wonder why RJ slipped away, or where he is right now. We talked about it not too long ago. It was finally his time.
